The Technical Site
 The Technical Website of the Culture of Peace movement is dedicated to input and update on-line the information and activities for the Culture of Peace (Manifesto 2000, Flagship events, Culture of Peace Projects). It provides also with all the materials necessary to promote the movement.

The Public Information Site
 The Public Information Site provides full information on the Global Movement for the Culture of Peace and Non-Violence.

The Manifesto 2000 Site
 This Site was created in particular for:
 - allow people to sign The Manifesto 2000 on-line,
 - give information about the personalities who have signed it,
 - promote the Manifesto 2000 in many languages,
 - Give opportunity for individuals and organisations to become Messenger of the Manifesto on-line.
